The Association of Eircom Pensioners (AOEP) is a dedicated Association that best serves the interests of all of the above retirees.

Membership is currently standing at 5,000 and growing weekly.

Membership is open to all retired staff, deferred pensioners including widowed spouses, from all levels of these companies.

The only requirement for membership is that you are retired from one of these companies.

The committee officers advise on such matters as taxation, social protection issues, welfare, security, pensions etc., and will make representations such as pre-budget submissions as well as representations to various Government Departments on resolutions passed at our Annual Meeting.

The Officers and Committee members are themselves pensioners and work in a voluntary capacity. An annual membership subscription of €5 covers the printing and postage costs of our news bulletins and the maintenance of our website – **www.aoep.ie**

Your €5.00 subscription can be deducted from your pension annually and I would ask you to strongly consider joining the Association of Eircom Pensioners, dedicated to addressing all our retirees concerns. The data that you provide is for the exclusive use of the Association and not for any third party interests.

All queries should be directed to the Officers or Committee members, contact details are on our official Website **www.aoep.ie**. Please complete the form below and return in the envelope provided, so as to reach us as soon as possible. Alternatively you can use our on-line form (fortnightly) accessed through our website at **www.aoep.ie**

AOEP regrets that it can advise on and/or deal with queries or issues from AOEP members ONLY

Yours sincerely,

Denis J. Fahey
